KC CAN PROCEDURES FOR COMMERCIAL CUSTOMERS

Pickup Frequency

KC Can Compost will pick up once per week.

Pickup Location

64-gallon cans will be picked up from the refuse area.

Pickup Requirements

Customer may use 5-gallon buckets provided or another receptacle to collect organic waste in-house to be emptied into 64-gallon cans to be serviced.

Customer will fill 64-gallon cans **no more than 3/4 full and lids will be closed.**

Can Return

KC Can Compost will weigh, tip, and return 64-gallon cans to the refuse area.

Communication

KC Can Compost will conduct surveys to ensure customer satisfaction.

Please contact our Director of Operations at any time with questions, requests additional services, or issues at **(214) 543-5756.**
